

## **Addendum for Hanoi 2021 SEA Games Selection Policy**

As per SNOC's communication to all NSAs on 17 March 2021, the nomination perimeter with regards to selection policy for Hanoi 2021 Sea Games was widened due to challenges faced during the Covid-19 pandemic, primarily the lack of competitions in the last 12 months to obtain the benchmarks to meet the SNOC Selection Criteria.

The additional considerations to justify nominations include:

1. To review the last 2 or 3 SEA Games (for those sports that are included in them) and look at the trend in results and trend in the number of athletes selected per sport.
2. Extend the selection window back to include results from SEA Games 2019 (Top 3 finish).
3. NSA's assessment and projection at the 31st SEA Games.

VAS will justify our nominations for the Hanoi 2021 SEA Games based on these considerations.

1. Consider results from 2015, 2017 and 2019 SEA Games.
2. Consider results from FIVB and AVC sanctioned competitions from 2018 to 2020 where applicable.
3. Assessment and projection based on teams' competitiveness and players' readiness.
